About Expert Finder

Expert Finder makes school-to-school support easy to manage. This online booking, management and evaluation system makes it simple for schools to source external expertise from other schools when they need it, while allowing those offering their expertise to easily manage their profile and work schedule.

Easy-to-create profiles for experts in specialist areas to promote their experience

Automated reminders about upcoming bookings

Communication tools enabling easy interaction

Benefits of Expert Finder

Oversee and report on sessions

Centrally record experts in your schools and report on sessions and requests

Manage availability

An easy way for experts to manage and update their availability centrally

Operate a brokerage system

Easily implement a brokerage system for each booking received

Integrate your systems

Link up with your existing systems for easy use and delivery

Make searching for skills easy

A simpler way for your schools to find what they need

Communicate easily

Automated emails and reminders enabling easy interaction between schools and experts
