About Governors Online

Governors Online enables local authorities and multi-academy trusts to support and keep track of governor roles, terms of office and training across all their schools in a single online platform. Clerks and governors can also use the platform to communicate and manage meetings securely and effectively.

A platform to manage and report on governor records across multiple schools, including vacancies, appointments, terms of office and CPD

Email tools for sending group communications to clerks and governors

Advertise, manage and track face-to-face CPD and optional eLearning for all governors.

Clerking tools to help governing bodies keep records, manage meetings and share documents securely
