About NQT Online

NQT Online enables local authorities, multi-academy trusts and teaching school alliances, to simplify how they register and support newly qualified teachers (NQTs). The platform allows you to assign online assessments to NQTs with automated tracking and alerts for due dates and online submission.

Full control over the registration process for NQTs

Effective communication and tracking tools, including reminder emails and alerts

Easy-to-use reporting function

Benefits of NQT Online

Simplify how you register and support NQTs

Keep all your records and documents on one online platform

Target training events to your NQTs

Support each NQT's professional development journey with suggested courses

Make NQT assessment easy

Assign assessments that NQTs can start completing online right away. Get instant alerts for you and the school as soon as assessments are submitted

Create bespoke reports on NQT progress

Generate bespoke reports using filters and data columns from a report builder and download the data you need

Integrate your systems

Link up with your existing systems for easy use and delivery
