About Teacher Recruit

Teacher Recruit centralises and simplifies teacher recruitment for local authorities, multi-academy trusts and teachers alike. This online platform receives and logs job applications from teachers and allows authorised schools to find, review and manage applications – all securely, efficiently, and in one place.

Effective search to quickly find candidates

Easy-to-use tools for school staff to review and manage applications

Automatic emails and reminders to keep applicants up to date

Benefits of Teacher Recruit

Simplify teacher recruitment for your schools

All authorised schools will have secure self-access

Effectively audit and control applications

Track applicants and results through easy-to-use reporting and monitoring systems

Save time

Increase efficiency with smart tools for reviewing and managing applications

Securely store online application forms

Application forms are only visible to your users

Facilitate flexible working

Easily access your administrative system on the go

Integrate your systems

Link up with your existing systems for easy use and delivery
